

ArmorerLink™ Shelf Label Holder

PRODUCT SHEET

The ArmorerLink™ Shelf Label Holder (SLH) is utilized in situations where there is insufficient surface area to affix a 2 3/8 in. x 2 in. (6 cm x 5 cm) thermal label. The SLH has double-sided tape on the top and bottom surface of the base for multiple mounting options. The SLH is reusable by replacing the double-sided tape. For permanent installations, the SLH can be mounted using mechanical fasteners.
